

## PROXIMITY CARD READERS

# CZ-EMM2

Growing market demand for standalone access control system inspired SATEL's engineers to develop flexible solution that meets the requirements of numerous groups of customers.

ACCO system consist of distributed intelligent devices networked for central supervision and management. The combination of proven hardware and software solutions with though out system concept ensures the highest possible quality and makes it suitable for individual needs.

### FEATURES

- access authorization with proximity card

### TECHNICAL SPECIFICATION

Nominal supply voltage	12 V DC $\pm$ 15%
Average current consumption	31 mA
Dimensions (mm)	35 x 127 x 21
Outdoor operation	No
Doorbell button	No
PIN code access authorization	No
Proximity card access authorization	Yes
Environmental class	II
Operating temperature range	-10°C...+55°C
