

Remote controller keyfob 4 Ch.

# T-4

**FEATURES**

- 4-channel
- KEELOQ dynamic code-hopping technology
- ideal for security demanding applications
- high immunity to interference signals
- SAW Resonator frequency stabilization
- immunity to environmental changes
- powered by single 12V battery

**TECHNICAL SPECIFICATION**

Number of channels	4
Remote control keyfob battery type	23 A 12 V
Remote control keyfob dimensions	35 x 70 x 15 mm
